

Greetings! The recommendations below are based on our progressive values: a fair and just society with economic opportunity for all, affordable health care, quality public education, criminal justice and immigration reform, reproductive rights, an end to racism, sexism and homophobia, and environmental protection. The voter guide below is based on our assessment of the candidates (and propositions) that will help make San Diego a fairer, more just and more livable city and county for all.

- We've listed the sources that we consulted on the last page of this guide.
- We weren't able to reach informed decisions on some races. For this reason, these races are not listed below.
